UNIVERSAL CURRICULUM
Prevention of Substance Use Disorders

CALLING ALL PREVENTION MANAGERS AND SUPERVISORS...

TRAINING ON ONLINE INSTRUCTOR-LED UPC-MANAGERS AND SUPERVISORS, COURSE

The Colombo Plan Drug Advisory Programme (DAP), with funding support from Bureau of International Narcotics and Law Enforcement Affairs (INL), U.S. Department of State, has developed the online instructor-led version for the Universal Prevention Curriculum for Substance Use - Managers and Supervisors (UPC-M&S). Like the in-person version, this online version of the curriculum series consisting of nine courses aims to provide extensive foundational knowledge to prevention managers and supervisors about the most effective evidence-based prevention interventions and policies that are currently available in the family, school, workplace and community settings.

UPC-01: Introduction to Prevention Science (9 weeks)

Introduction to Prevention Science is the first course in the training series that aims to provide an overview of the science that underlies evidence-based prevention interventions and strategies, and the application of these effective approaches in prevention practice.

TRAINING TIMELINE
13 May – 13 July 2024 (9 weeks)

APPLICATION DEADLINE:
Applications are open between
17 March – 10 April 2024

SEATS: 30 participants

WHO CAN APPLY?

This training is for prevention professionals, particularly, managers, supervisors, programme coordinators and administrators working with the government and non-governmental organisations at the community, state or country level who are involved in the assessment and planning, selecting, implementing, monitoring and evaluation of prevention programming.

ELIGIBILITY CRITERIA:

- Bachelor degree in psychology, counseling, social work, public health, or other related studies
- Experience in managing and supervising work teams
- Experience in prevention planning and implementation
- Knowledge of digital and online learning tools

AWARD OF CERTIFICATE OF COMPLETION CRITERIA

Applicants must commit to completing the course based on the given timeline and fulfilling the following requirements: 90% Activity Completion, 80% attendance in Synchronous Sessions, and 70% post-test score.

APPLICATION DETAILS

We cordially invite interested candidates with the relevant work and training experience to complete the online application form at <https://forms.gle/4UhRbvLx6Fj2i6Bm7> and attaching your most recent CV.
