## ISSUP Newsletter: Issue 12

It may be summertime, but here at ISSUP the hard work continues! Our National Chapters Coordinator, Riva Setiawan, attended the **22nd Annual National Institute on Drug Abuse (NIDA) International Forum** in Montreal. ISSUP was given the opportunity to present at the first plenary session “Drug Education and Training Opportunities” and participate in the poster session. Find out more about the event by clicking the link below.

This edition also features an **information guide about young people and substance use**. **Parents** will find it particularly useful for **raising children to be drug free**. For those of you who are **researchers** and **academics** in the field, we've included a newly published **guide that advises addiction specialists on the complex process of contributing to scholarly journals**.

To keep up-to-date with the latest news, resources and events in substance use prevention and treatment, follow us on [Facebook](#) and [Twitter](#), and visit [our website](#).

Are you looking for a platform to share, discuss and learn about matters within the prevention and treatment fields? Head over to our [Forum](#) and join in discussions about related topics with our members.

If there's anything else you'd like to read about in our newsletter or see on our website, feel free to send us an email at [info@issup.net](mailto:info@issup.net).
