

ISSUP Newsletter: Issue 19

It is with great pleasure I send this message to you as the new Acting Executive Director of ISSUP. I would firstly like to thank Jeff for doing a fantastic job establishing ISSUP and leading us to this point with the support of the board, a dedicated staff, the U.S. Department of State's Bureau of International Narcotics and Law Enforcement Affairs (INL) as well as the Colombo Plan Drug Advisory Programme (DAP) and the International Organisations who are observers to the organisation.

I take over with the support of a fantastic team and the motivation of a wealth of enthusiastic members! ISSUP looks forward to continuing to support you in your substance use prevention and treatment endeavours, sharing knowledge, building expertise, establishing networks and broadening our membership. I am very proud of the achievements of ISSUP over the last 2 years, having been involved from its origination.

I hope to meet many of you old and new friends at our forthcoming ISSUP Workshop in Cancun. **Don't forget to [sign up](#) as places are going fast!**
