## ISSUP Newsletter: Issue 22

**Happy New Year!** In this year's first newsletter we would like to share a selection of the **most-read Knowledge Share articles of 2017** with you. These are the articles that captivated our readers most. They cover a wide variety of substance abuse prevention and treatment topics and resources, from guidelines and principles to national, regional and global drug use surveys and data. Be sure to stay tuned for this year's newsletters!

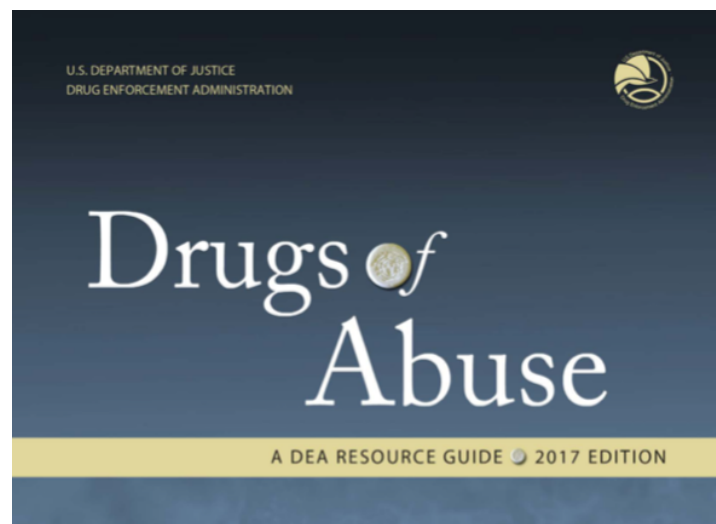

To keep up-to-date with the latest news, resources and events in substance use prevention and treatment, follow us on [Facebook](#) and [Twitter](#), and visit [our website](#). If there's anything else you'd like to read about in our newsletter or see on our website, please feel free to email us at [info@issup.net](mailto:info@issup.net).

### Our Most-Read Articles & Resources

GROWING UP  
**DRUG FREE**

A PARENT'S GUIDE TO PREVENTION

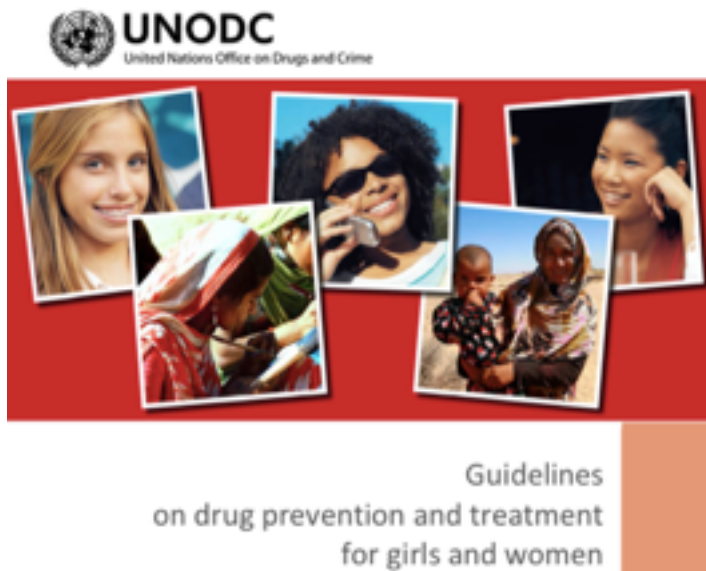

[What is 'Substance Use'?](#)

[What's New in Addiction](#)

In the context of ISSUP's work the term "substance use" is complex. This article tries to summarise both what [substance use](#) is, and some of the issues that surround the term.

## [Prevention for Young People?](#)

This paper looks into assessing the latest knowledge of addiction prevention programmes for young people.

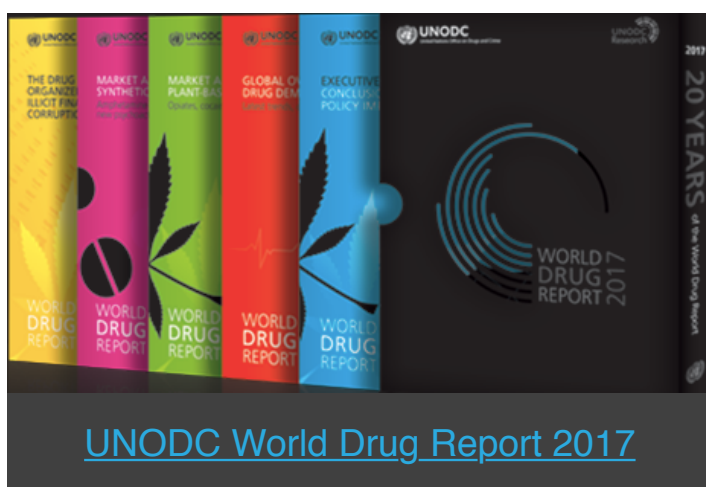

## [Principles of Substance Abuse Prevention for Early Childhood](#)

This guide includes evidence-based principles addressing the ways that early interventions may positively affect a child's development.

## [Afghanistan National Drug Use Survey](#)

This drug use survey combines urban and rural survey data to generate statistically sound drug use rates for the country.
