

## ISSUP Newsletter: Issue 24

Last week ISSUP staff attended the **Global Drug Demand Reduction Partners on Workforce Development meeting** organised by the **U.S. Department of State's Bureau of International Narcotics and Law Enforcement Affairs (INL)** to share their experience and practices in reducing substance use disorders and plan for future collaborations. The week-long meeting was hosted by the **Inter-American Drug Abuse Control Commission (CICAD)** in Washington, D.C. with representatives from other International Organisations including **the African Union, the Drug Advisory Programme (DAP) of the Colombo Plan, and the United Nations Office on Drugs and Crime (UNODC)** as well as other experts from around the world.

---

**ISSUP is very excited to welcome its newest member of staff!** Based in Scotland, Kira Weir takes on the role of Content Researcher. Kira's background is in journalism, communications, knowledge exchange and digital health interventions within the public and mental health fields.
