ISSUP Newsletter: Issue 5

It's been a busy month! Follow Joanna Travis-Roberts, ISSUP's Deputy Executive Director, to Mexico where she met with organising partners to plan for this year's **Annual ISSUP Workshop**. The event will be held in **Cancún, Mexico** from **December 4th - 8th, 2017**. Watch this space for information on the plans as they develop and how to book your place!

This edition also features **a resource for people working in the area of drug-related interventions**. Browse the **Best Practice Portal** of the European Monitoring Centre for Drugs and Drug Addiction (EMCDDA) to discover what works (and what doesn't) in the areas of drug prevention, treatment and social reintegration. For a better understanding of how drugs affect the brain, check out the National Institute on Drug Abuse (NIDA's) extended overview detailing the **impact of certain drugs on brain functioning**, together with the most common experimental methods used in related research.
