

ISSUP Newsletter: Issue 27

We know that there are many of our members who might be interested in **pursuing further study, are seeking funding for a research idea or would like to connect with other researchers and professionals.** We will therefore start providing **monthly updates on addiction studies opportunities** as well as events and networks that could be beneficial for someone at any stage of their research journey. Check out our first update below!

We also invite all students in addiction studies and other health related study fields to become **ISSUP Student Members.** This type of [membership](#) is for **anyone attending and undergoing training in substance use prevention, treatment or recovery at an educational institution.** [Click here to sign up as a student member](#) and start sharing your research with the ISSUP community on our [Knowledge Share](#) and [Forum](#).

We are excited to announce that all ISSUP members can now download their very own **ISSUP membership certificate.** [Click here to log in and print your membership certificate from your dashboard.](#)
