

ISSUP Newsletter: Issue 32

Last week ISSUP staff attended the 3rd ICUDDR conference in San Diego. **The International Consortium of Universities for Drug Demand Reduction (ICUDDR)** event brought together a range of representatives from universities around the world who are running or are interested in running addiction studies. [Click here to read about the conference.](#)

In this edition we share information about the **Humphrey Fellowship Program**. The Fellowship is a US government international exchange program supported by the people of the United States. Fellowships are granted competitively to professional candidates with a commitment to public service in both the public and the private sectors in a wide range of fields, including **substance abuse education, treatment and prevention**. Click on the link below to see if citizens of your country are eligible to participate.

Are you looking for **organisations working in prevention, treatment or recovery in the Caribbean**? Scroll down to access the Directory of Drug Prevention, Treatment, Rehabilitation, and Gang and Youth Violence Focused Institutions for a list of organisations active in the English-Speaking Caribbean.

In this edition we have also included **this year's European Drug Report**. Covering 30 European countries the report explores drug trends, developments in prevention and treatment, public health issues, supply and drug policy and is available in 24 different languages.
