ISSUP Newsletter - Issue 49

Following our successful workshop in Kenya, we are incredibly excited to announce that registration is now open for this year's conference in **Austria!** We are delighted to be partnering with **UNODC** to hold the **International Conference on Drug Prevention, Treatment and Care – Inspiration and Direction** in Vienna, July 1-5, 2019.

The conference will bring together **national and international experts in drug prevention, treatment and care** and will feature a broad range of topics and formats, including all-day **training workshops**, **keynote speakers in plenary sessions**, **regional meetings and networking opportunities** and a three-day **refresher course** and chance to take an **exam to receive credentials**.

We are currently accepting [abstracts](#) to be presented at the poster session in Vienna! Papers should cover **aspects of substance use disorders or the actions of drugs of abuse** and should present **high quality and evidence-based research**. [Click here to submit your abstract!](#)
