## ISSUP Newsletter - Issue 57

**And so we return to normality after a busy week of learning, sharing and networking at the [International Conference on Drug Prevention, Treatment and Care](#) in Vienna at the start of July. Once again we want to thank all those who made the conference possible and also everyone who attended and helped create a community feeling.**

We were lucky to have world-renowned researchers and practitioners join and share with us their ideas in fascinating sessions. We have uploaded all the [presentations](#) from the sessions to the ISSUP website. You can also watch the conference recording on the [ISSUP Youtube channel](#).

We would love to see your pictures and videos and hear about your time at the **International Conference on Drug Prevention, Treatment and Care**. Log in to your ISSUP account and head to the [Vienna Conference Network](#) to share your experiences and connect with all those who attended.
