## ISSUP Newsletter - Issue 65

**Membership News! We have decided to make a slight change to our [membership levels](#).** We hope that this will allow us to recognise better the different ways professionals are involved in the field, whilst at the same time being inclusive and supporting those who wish to become more informed about substance use prevention, treatment and recovery support.

What the changes will look like:

- All **standard members** will automatically become **regular members**
- **Advanced members** will be contacted in the coming weeks and asked to select between professional and drug demand reduction professional membership

You can read more about the different membership levels [here](#).

### [Online Survey: Call for Participants](#)

Our partner Colombo Plan is conducting a [study](#) about knowledge and critical skills to implement evidence-based drug prevention strategies in Asia, Africa, Europe and Latin America.

Colombo Plan is looking for individuals working in the drug prevention field that would be willing to answer a **brief online survey about their knowledge of evidence-based prevention strategies**.

**If you're interested in participating, please sign up here:**
