## ISSUP Newsletter - Issue 66

Last month members of the **ISSUP-Abu Dhabi Executive, Steering and Local Organising Committees** met in Abu Dhabi to begin building the framework for the **6th ISSUP Global Conference**. Team members from **ISSUP, ICUDDR and INL joined colleagues from the National Rehabilitation Centre (NRC)** in Abu Dhabi to discuss the workplan for the event, including the structure of the plenary programme, opening and closing ceremonies, training workshops, identity/branding, ISSUP awards, poster sessions, cultural event and marketing. **The Conference will be held at the Abu Dhabi National Exhibition Centre (ADNEC) in early 2021.**

As part of the planning meeting, NRC formally launched the **ISSUP UAE National Chapter**, becoming the 14th country worldwide to establish a national network for treatment, prevention and recovery support professionals. The launch included a press conference with ISSUP Global and local treatment, prevention and recovery support organisations.
