

ISSUP Newsletter - Issue 72

[View this email in your browser](#)

We hope everyone is healthy and safe with all the global events going on at the moment - we want to send you all a lot of love :) We have set up a [coronavirus support network](#) for members to share stories, advice, and experiences during this difficult time. Let us share hope, and together we can be strong. Good luck everyone.

This week sees the launch of a new **profile badges** feature on the ISSUP website to enhance your user experience. Some of you may have spotted them already on your profile page and 'My ISSUP' dashboard. The new badges are designed to give important information to other members that view your profile.

Our website development team are creating a fantastic suite of icons for you to enjoy and we have lots of great ideas in the pipeline for new badges and functions that will help all members to get to know each other better. Discover more about the profile badges [here](#).

Welcome Drug Demand Reduction Trainers!

ISSUP and the United Nations Office on Drugs and Crime (UNODC) are pleased to announce the formation of a pool of **Global Trainers** with the support of the U.S. State Department Bureau of International Narcotics and Law Enforcement Affairs (INL). [Please click here to submit or update your application before April 1, 2020](#). We will hold on to applications if the seminar has to be postponed (it's scheduled for early June in Vienna).
