

The International Society of Substance Use Professionals (ISSUP) and the United Nations Office on Drugs and Crime (UNODC) announce the formation of a pool of Global Trainers with the support of the U.S. State Department Bureau of International Narcotics and Law Enforcement (INL).

# CALL FOR GLOBAL TRAINERS

## DDR Trainer Development Objectives:

Build training skills, based on adult learning theory, for current **DDR** experts/ trainers around the world.

Ensure a consistent level of substantive **DDR** knowledge across the spectrum of care including prevention, treatment and care.

### Applicant must have:

Expertise in **Drug Demand Reduction** - academic credentials, certifications or other professional credentials.

Minimum of 5 years professional work in **DDR**. Education may be considered in lieu of experience. Recommendations from supervisors, colleagues, IO staffs will be considered an asset.

Recent **DDR** training experience. Documented experience such as training reports as a UTC, UPC, CHILD, GROW, TREATNET, PROCCER, or other **DDR** training will be considered an asset.

Willingness to continue ongoing engagement as an ISSUP Global Trainer - post opportunities and outcomes on the ISSUP website. Prior postings on the website or demonstration of prior ISSUP participation will be an asset.

Willingness to conduct future training. Written supervisor support is an asset.

Interested professionals may submit an application with supporting documents via the ISSUP website at [www.issup.net/training/global](http://www.issup.net/training/global)

Please submit or update your application before April 1, 2020

Global Trainer Development Seminar to be held in Vienna, Austria on June 9-12, 2020

Includes 3 days of trainer skill development and 1 day of substantive **DDR** knowledge.

Applicants must be fluent in **English** and a member of **ISSUP**.
