The event celebrated the launch of the new National Chapter in Greece with presentations by keynote speakers and special [messages of support](#) sent in by National Chapter leaders from across the world. We wish the team every success as they mark this important milestone. Click to watch the launch event and presentations: [ISSUP](#)

## International Women's Day Webinar

On Monday 8th March 2021, the world celebrated International Women's Day. To mark the occasion, we had the pleasure of hearing a fantastic presentation from Dr. Hendrée Jones on preventing and treating substance use disorders in females of all ages. If you missed the webinar or want to watch again, click here: [ISSUP](#)

## Women and Substance Use: Reading List

The theme for International Women's Day 2021 is *let's choose to challenge*. For people working in the substance use prevention, treatment and recovery field, it is a reminder that we need to explore women's experiences of substance use and addiction. Our latest [reading list](#) is a great starting point.
