We lead this edition with a piece by ISSUP Senior Consultant **Jeff Lee** on the “**INEP Plus**” pilot programme recently offered to ISSUP National Chapters in collaboration with Charles University in Prague. We are delighted to bring you news of the successful pilot programme and the potential of INEP Plus to deliver much needed prevention training and support to those working at the practice level within their communities.

INEP Plus Opens the Door to Prevention

The Introduction to Evidence-Based Practice (INEP) is a ten-session online course to introduce the key principles of substance use prevention. It was written and developed by Charles University (CUNI) in Prague. Offered as a “self-taught” programme by CUNI, ISSUP felt that there would be added value if the Course could be offered to new learners facilitated by National Chapters. [Read more](#)
