Welcome to this edition of our newsletter. We begin with some very good news about the growth of our membership and would like to invite you to a special online event planned for the end of August that we hope you will be able to attend.

## ISSUP passes 20,000 member milestone

We are delighted to announce that this week ISSUP has passed the milestone of **20,000 members**. Our membership has doubled since March 2020, and now represents members of the drug demand reduction workforce from more than 190 countries and territories around the world.
