

ISSUP Newsletter - Issue 114: December 1, 2021

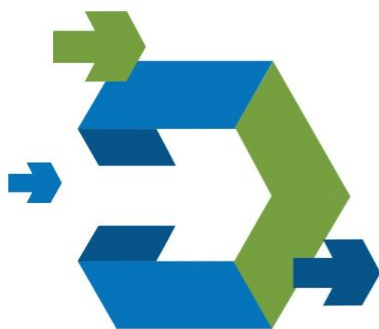

[View this email in your browser](#)

The ISSUP Conference is one week away!

Join us on the 8th, 9th and 10th of December for three days of virtual sessions exploring what is meant by “**evidence-based**” and how evidence-based principles and approaches can be applied for effective drug demand reduction.

There is still time to [book your place](#) to avoid missing out on this key event. Live interpretation in **Spanish, French, Arabic** and **Russian** will be provided for all Conference sessions.

**Evidence-based principles for
effective drug demand reduction:**

**Applying theory
to practice**

**ISSUP International Conference
8-10 December 2021**

Celebrating the launch of ISSUP Indonesia

We send our warmest congratulations to the ISSUP Indonesia team and every member of the National Chapter as they celebrate their successful launch. Last

demand reduction work in the country. Watch the event here: [ISSUP](#)

New UTC Self Led course

The new Self Led UTC Course 2 provides the perfect foundation for learning about substance use disorder treatment. It gives an overview of recovery and recovery management, stages of change, principles of effective treatment, components of treatment and evidence-based practices. Enrol here: [ISSUP](#)

A promotional graphic for UTC Course 2. It features a stylized globe with blue and green continents and yellow oceans, set against a light grey background with a wavy line. The text 'UTC Course 2' is in a dark blue box at the top. Below the globe, the text 'Treatment for Substance Use Disorders' and 'The Continuum of Care for Addiction Professionals' is displayed.
