

ISSUP Newsletter - Issue 118: February 2, 2022

[View this email in your browser](#)

We lead this issue with some exciting professional development news. This week sees the launch of the new Self Led Universal Treatment Curriculum (UTC) Course 1 "[Introduction to the Science of Addiction](#)". The course provides a comprehensive overview of addiction, an understanding of the physiology of addiction as a brain disease, and describes the pharmacology of psychoactive substances.

ISSUP thanks our partners at [GCCC](#) and [HealthKnowledge](#) for making these Self Led courses available for us to share with our members. To enrol in the course, please head over to the ISSUP Professional Development Hub: [ISSUP](#)

ISSUP National Chapters plan the year ahead

During the months of November, December & January, ISSUP's National Chapters came together virtually to discuss priorities, new opportunities
