The [Commission on Narcotic Drugs](#) is happening this week and once again, many sessions, as well as the side events, are to be held online due to the pandemic. The good thing about that is you can still follow the plenaries and attend side events! All the links are on the ISSUP website [here](#).

We are delighted to announce a series of webinars for April that will introduce participants to the [ISSUP Online Learning Hub](#) and how its tools and functions provide access to training for the drug demand reduction workforce. See the upcoming events section below for more information and the selection of dates and times offered.

Lastly, the new **UTC 6 Self Led course** goes live this week. The Online Learning Hub now has five UTC Self Led courses to choose from with more on the way. Each course provides the latest information about SUDs and their treatment. Read on for details of this new addition.

New course: Case management for addiction professionals

UTC Course 6

Case Management for Addiction Professionals

We are pleased to announce that the UTC 6 Self Led course is now live. This is a skill-based course that gives an overview of case management in substance use disorder treatment and provides skills practice in case management functions. Self Led courses allow you to learn at your own pace and you can enrol here: [ISSUP](#)
