Abu Dhabi online | in person 12 - 16 May

UNITING *the* GLOBAL COMMUNITY

TO FACE THE CHALLENGE OF ADDICTION

conference | trainings | workshops

We're almost there! Everyone at ISSUP is very excited to be within reach of the event being organised with ICUDDR, INL and NRC. After the restrictions of Covid and rearranging the event date, we're delighted to be making the final preparations and getting ready to travel to beautiful Abu Dhabi.

The ISSUP website and social media channels are being regularly updated with information on the event, including the [in-person programme](#), [list of speakers](#), [online event information](#), [travel & venue information](#), and [excursions](#). There's still time to [register](#) for this free event! [Just head over to the ISSUP website and let us know you'll be joining us in Abu Dhabi.](#)

If you are not able to travel on this occasion – no problem! The [online event](#) will include broadcast of all the in-person keynotes and plenary sessions as well as excellent content recorded just for the online participants. We're excited to be building a database of presentations detailing the substance use situation and response for a wide range of countries. This project will continue to grow! Any ISSUP member can access the online event, just [log in to your ISSUP account](#) and click to access.

And if you cannot get enough of the event, you can do both! The content will be available on our conference platform for 30 days after the event. Don't forget to follow ISSUP's social media feeds for updates, and use **#ISSUP2022** to join the conversation!

So, get ready to be part of this movement to Unite the Global Community to Face the Challenge of Addiction. We'll see you there!
