Match Objectives

Through an attempted use of a football/soccer analogy this webinar aims to address:

- > The Position and Role of Prevention within Drug Demand Reduction – Drug Demand Reduction FC
- > The Context for Prevention – the Opposition!
- > A basic understanding of the issues that need to be addressed in the provision of substance use prevention - what comprises an effective and achieving team
- > Questionable approaches – avoiding relegation
- > Challenges for evidence-based prevention – planning for the season ahead
