Welcome to this edition! Ending stigma and strengthening prevention are central to the theme of this year's World Drug Day campaign. Look out for events celebrating the occasion in your region and don't miss our webinar on July 5th bringing you essential insights from the 2023 UNODC World Drug Report.

Follow us on [Twitter](#), [Facebook](#), and [LinkedIn](#) for regular updates.

Countdown to World Drug Day 2023

June 26th is World Drug Day. The theme of this year's campaign - **People first: stop stigma and discrimination, strengthen prevention** - is designed to raise awareness about the importance of treating people who use drugs with respect and empathy, providing evidence-based, voluntary services for all, offering alternatives to punishment, prioritising prevention, and leading with compassion. Read about this year's campaign and find out how to get involved, here: [ISSUP](#)

Science-backed guidelines to help prevent drug use

Prevention

[prɪ'ven](ə)n] • *noun*

The act of keeping something from happening.

WORLD
DRUG
DAY | 26
JUNE

Prevention strategies based on scientific evidence working with families, schools, and communities can ensure that children and youth, especially the most marginalised and poor, grow and stay healthy and safe into adulthood and old age. Here are science-backed guidelines to help prevent drug use: [ISSUP](#)

ISSUP Malaysia signs MoU with MAHSA University

On 24th May 2023, ISSUP Malaysia signed a Memorandum of Understanding (MOU) with MAHSA University at MAHSA's campus in Bandar Saujana Putra, Selangor to foster a multidisciplinary approach to create a comprehensive and integrated response to substance-use issues. Read more: [ISSUP](#)
