WORLD CHILDREN'S DAY

at

ZOOLOGICAL GARDEN - DEHIWALA

1st October 2025

To mark International Children's Day, the Preventive Education and Training Division of the National Dangerous Drugs Control Board proudly conducted a National Calibration Programme on 1st October 2025 at the scenic Zoological Garden in Dehiwala.

In a joyful celebration of International Children's Day, the National Dangerous Drugs Control Board hosted a dynamic National Calibration Programme on 1st October 2025 at the Zoological Garden, Dehiwala. The event was graced by the Chairman of NDDCB, Dr. Indika Wanninayake, who participated in full official capacity alongside the Director General of the Zoological Garden and other distinguished officials.

🎉 **Highlights of the Event:**

👧👦 A vibrant crowd of children from diverse communities actively engaged in:

🎶 Singing performances

🎨 Art exhibitions and live painting

💃 Dance showcases

📝 Poetry recitals

❓ Quiz competitions on emotional intelligence, substance abuse prevention, and wildlife awareness

🎥 Media coverage and promotional support provided by Derana TV Channel and Kirana Child Newspaper, amplifying the event's reach and impact

🍝 Pentium Pastal Company's sponsorship added a flavorful touch, supporting refreshments and branded giveaways

Every participating child was honored with valuable prizes and heartfelt appreciation, recognizing their creativity, courage, and contribution

📰 As a promotional and mobilizing gesture, all children's creative works were promised publication in Kirana newspaper, giving their voices national visibility and pride
